Lecture with Retired Brigadier General John Turner of the CDC

The Men's Coffee Hour will open their speaker to all Members with Retired Brigadier General John Turner. He will highlight his former supervisory role at the Emergency Operation Center at the CDC. He will also share his personal experiences working with the Global Polio Eradication Initiative, the 2014-5 Ebola outbreak and monitoring public health threats caused by various hurricanes.

Wednesday, February 15th

In The Georgian Room

2:00 PM
